

Due to the continued and wide-spread community outbreak of COVID 19, piano lessons will be held virtually until further notice. Since piano students attend a variety of schools with options for attendance, scheduling in the piano studio will be as follows:

- 1) Piano school year will begin Monday, August 3.
- 2) Students will receive weekly lessons following the studio calendar for a total of 37 lessons in the academic year.
- 3) Parents and students should **email me their lesson time availability for the first quarter of the school year no later than Saturday, July 25** to allow for planning. Please include morning, afternoon, or evening times since I will be teaching throughout the day to accommodate the various schedules.
- 4) I will use Google platforms for the virtual lessons, including either Google Hangouts and Google Duo. Please be sure you have the app for this on your phone or tablet or laptop.
- 5) Billing will be the same as the other school years. There are 10 equal monthly payments August through May due by the 10th of each month. There are no refunds for cancelled lessons. I will try to be as flexible as possible regarding schedule change requests during these uncertain times.
